**UC RANCH<sup>TM</sup>**  
PROPERTIES

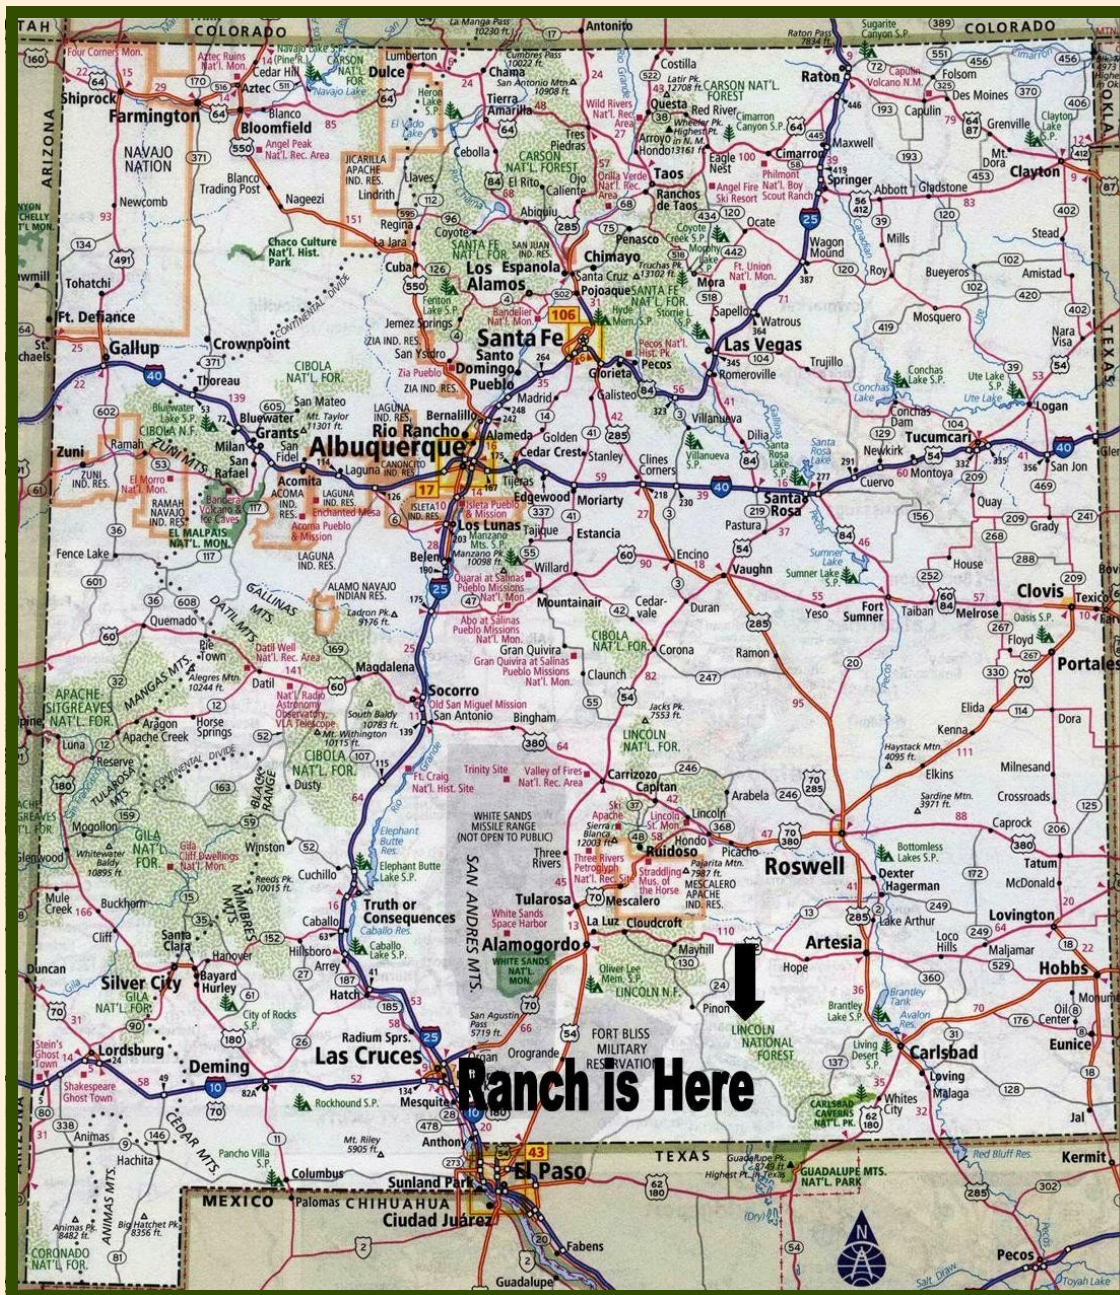

*Bullis Springs Ranch is a large cattle ranch with approximately 18,000 acres that is located 53 miles southwest of Artesia, New Mexico, within the boot heel of Chaves County and the Guadalupe Mountains. This Lincoln National Forest ranch is located within the Guadalupe Ranger District and is allotted to run 270 animal units year long. Offering approximately 198 deeded and 17,802 acres under Forest Service Allotment, Bullis Springs .*

*The ranch was set up with 14 pastures, and five traps.*

*The ranch has three dirt tanks and three wells and two springs which provide water by pipeline to various parts of the ranch.*

**575-361-0494**  
**ucranchesforsale.com**

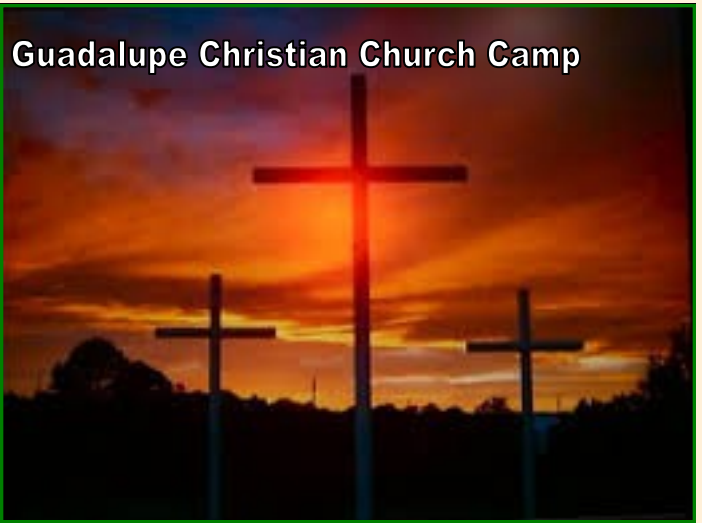

Located in the boot heel of Chaves County, the ranch is 53 miles southwest of Artesia, NM, which would be the nearest town with amenities. Located closer to Bullis Springs Ranch is Pinon, NM and Hope, NM is located around 30 miles from the ranch headquarters. The small community of Queen is 50 miles traveling south along the North Rim Rd.

Access to the ranch from Hope would be traveling south 5 miles on Armstrong Rd to Trails End Rd. Travel down Trails End Rd. approximately 21 miles to the intersection of Bullis Canyon Road, (road 30) and turn left. (Trails End Rd eventually turns into Russell Gap Rd.) The northern ranch boundary is about a mile up this road.

# Locale

Guadalupe Christian Church Camp

**Queen** is a small community located in Eddy County, New Mexico. It is about 45 miles west of Carlsbad on Hwy 137.

Queen Store Café and RV park, fire station, subdivision and Christian Church Camp are located at Queen.

**Pinon, NM** Is an unincorporated ranching community in Otero County in southern New Mexico, in the southwestern United States. The town is in the pinon-juniper shrublands habitat with an altitude of 6,060 feet. The post office in Piñon opened in 1907. In 2014, Piñon was ranked as the most politically conservative town in New Mexico.

**Hope, NM** Hope is a village in Eddy County, in southern New Mexico, United States. It is about 20 miles west of Artesia on U.S. Route 82. It has had a post office since 1890. As of the 2017 census, the village's population was 121. At one time was a large farming community.

**Artesia, NM** Artesia is located in southeastern New Mexico, nestled between the two larger cities of Roswell to the north and Carlsbad to the south. The Texas border is less than 100 miles away to the east and the beautiful mountains, including the towns of Cloudcroft and Ruidoso, are to the west.

There are three dirt tanks, two springs, and three wells which provide water by pipeline to various parts of the ranch.

# Water Description

# Acreage Breakdown

Deeded	198+/- Acres
FS	17,802- Acres
	+/- <b>18, 000 Total Acres</b>
28 Sections	

# Leases and Taxes

This ranch has one grazing allotment. It consists of the Bullis Springs Allotment. The FS has permitted this ranch for 270 animal units year long.

The FS Grazing Fees for 2020 is \$4374.

The Chaves County property taxes are approximately \$332.00 /year.

# Vegetation

*The average rainfall for this area is 18". The primary grass cover is blue and black gramma grasses.*

# Topography

*There is approximately 20% of the ranch that falls below the rim that slopes towards Pinon Draw.*

*The remainder of the ranch is above the rim and consists of mostly gently rolling hills but does have steep terrain in areas.*

*Cedars, junipers and pinon trees are the main trees found throughout the ranch.  
The elevations are from 6,000 to 6,400 feet.*

# Wildlife

*Mule deer, Javelina,  
Elk, Barbary Sheep  
and other wildlife  
round out the diver-*

# Improvements

*There is one set of pens situated in the northern part of the ranch close to the headquarters and one set located in the southern part of the ranch. The southern set of pens are what the current owner uses to work most of the cattle. Both of these pens have good access to the county maintained road.*

Structural improvements are located at the headquarters which is located in

Bullis Canyon. There are 2 residences, one of which has been completely re-modeled and the other residence has been somewhat remodeled. . One large barn, several storage type sheds and horse corals can be found at the headquarters.

*There are 3 wells located on the property and 2 springs. One well and the 2 springs currently water most of the ranch.*
